

1. For all you Smart Phone geeks, download the map app from the East Fork Stables website (EFS) BEFORE YOU GET TO GIDDYUP AND RUN. Don't ask Joanne any questions. I still have a working flip phone.
2. The tank t-shirts are red with white ink. Women's are "racer back" that show off the shoulder blades. Men' are regular tank, scoop in front, scoop in back with droop armpits. If women want a men's tank, please order a men's size that is one size smaller (than a women's size) e.g. Womens L = Mens M; and wear appropriate undergarments. Deadline for shirts is Thursday, April 16, 2017. If you can't make the US Mail, please e-mail me so I can place the order.
3. Map drafts available soon. Everything subject to change at last minute for safety reasons. Lemme know if you want advance copy. You get finals at the event. 4 and 7 miler are ready to go. Hiccup on the 15 and 10 milers.
4. Please post on the EAST COAST Ride and Tie FOLK Facebook page if you are looking or have FOUND a partner. Or e-mail me at jfgmhorse@gmail.com
5. Will be doing an "elevator" ride on SATURDAY ONLY to upgrade from a 25miler to a 35miler for you mileage hungry folk. Remember, you can decide after you come in for the 25 but if you go out again and somebody goes lame you lose EVERYTHING!
6. Have added a 4 miler RAT for the wee folk or us that are "above average".
7. EFS may have one hot tub cabin left. There are still the plain cabins available. If you want to electric fence your horse instead of stall, they have sites for those. They recommend NOT putting them under the highline.
8. I got raffle tickets for the Specialized Saddle for the championship! \$5 each or 5 for \$20. Bring cash or check to EFS! Winner will be notified by telephone.
9. Will probably deposit wad of checks next Monday.

Typical picture of overlook on the 15 mile course. Most overlooks provide picnic table and a highline. Note the picnic table (AKA mounting block).
