RELEASE AGREEMENT FOR Foxcatcher Ride & Tie Competitors

The undersigned, seeks voluntarily to participate in the Foxcatcher Ride and Tie. As a participant in the Foxcatcher Ride and Tie, I agree to abide by Ride and Tie Association rules (www.rideandtie.org). The undersigned, in consideration of accepting this entry does hereby, for himself, his heirs, executors, and administrators, waive and release the Foxcatcher Ride and Tie, Fair Hill International, Inc. and all individual members thereof, the Ride and Tie Association, the Fair Hill Natural Resource Management Area, and all other persons regardless of their capacity in any way connected with the event described herein, their representatives, heirs, executors, administrators, and assigns from any and all right, claim or liability for damages or for any and all injuries that may be sustained by me including injuries to animals, or from any and all claims of any kind or nature that I might have.

Further, I do hereby acknowledge that said release will extend to any accidents, damages, or claims arising out of my entry caused by my own act or the acts of anyone or any animal within my control. I understand that the sport involves being in remote areas for extended periods of time, far from communications, transportation, and medical facilities, that these areas may have natural and manmade hazards, which ride management cannot anticipate, identify, modify or eliminate, that horses can be excitable, difficult to control and unpredictable and that accidents can happen to anyone at any time.

I accept responsibility for myself and the animal I ride. I hold Ride Management, all personnel and the property owners including the Fair Hill Department of Natural Resources, blameless and free from all liability for injury or loss that might occur due to my participation in the ride. I understand that this release constitutes a limitation on my legal rights. Any action instituted against Fair Hill International, Inc must be filed in the State of Maryland. I certify that my animal is not under the influence of any drugs during the event. I further agree to allow any drug testing on the animal I ride, as deemed necessary by the ride management. This release is valid for my animals, personal belongings, family or guests in my company. This release applies for the entire ride, arrival, during and until departure. I have read, understand and accept this release.

I understand that if the horse I am riding is pulled for metabolic reasons and requires treatment on site or additional recheck by ride vet, this horse may not leave base camp until released by an authorized ride vet.
