Seaside Community of Santa Cruz, California Chosen for Site of the 1992 World Ride & Tie Championship

Great race site, great beaches, and a great race course sums up the location of the 22nd Annual World Ride & Tie Championship. Steve Shaw and Aileen Johnson will be the Race Directors and local coordinators. I am excited about holding this year's event in such a great vacation area. Located only a mile or so from the Pacific Ocean, Santa Cruz is usually overcast in the morning with a beautiful sun breaking through around noon. Don't miss this year's gathering of the Clan, don't miss the camaraderie of the ride and tie family and most of all, don't miss the most galvanizing, grueling and gratifying sports event held in America today. Make your plans now to attend the 22nd Annual World Ride & Tie Championship!

From Steve Shaw, Race Director:

The 1992 WRTC looks to be another interesting course and exceptional race site. The Graham Hills Show Grounds, site of the last Champagne Ride & Tie, will be the staging area and main camp grounds. Many of the same tree shrouded routes over to the Wilder Ranch State Park will be utilized with some additional trails added. Cool ocean breezes, shady redwood trails, numerous creeks, (easy to cross) and a great campsite, all add up to a world class venue. The main campsite will be within five minutes of downtown Santa Cruz with all it's amenities. Mark your calendars for the July 18 date and a great week of camping and training.

Enclosed is the latest version of the 1992 Ride and Tie Schedule. If you are not a paid member you are receiving this schedule as a courtesy because of your past membership. A lot of ride and ties have been added this year. We would like to keep you on our mailing list but to do so in 1992 we need you to join the Association.
