NO RUNNING IN CAMP RULE

Equines are not permitted to trot, canter, gait, lope or otherwise go faster than a walk while in camp, unless at the direction of a ride vet or inside the arena. This applies to equines mounted or in-hand. Doing so will **RESULT IN DISQUALIFICATION.**

Spin Around the Rim Ride Management will enforce this rule by disqualifying any rider whose equine is observed going faster than a walk inside the bounds of the campground. Signs will be posted reminding riders of this rule, but the lack of signs does not absolve the rider of following this rule.

This rule is in effect regardless of whether you started or finished the event. It will remain in effect whenever you are in camp on Thursday, Friday, Saturday and Sunday.

This is a rule for the safety of all riders, volunteers and East Fork Stables staff and visitors. It will be strictly and unapologetically enforced. Argument may result in being uninvited to future events put on by ride management.

You may use the arena for faster work or trot your equine out when/where instructed by a Spin Around the Rim ride vet.

We put this rule in place under AERC Rule:

- 6. Completion requires meeting all the following criteria.
- j. Meeting any other criteria prescribed by ride management.

Please also see AERC Rule 12 regarding appropriate behavior of AERC riders at a venue.

Thank you and let's be safe!
